Dear Colleagues, as you are aware that many online facilities are being provided to faculty members and students by the college library. The **Library Committee**, in its meeting on **07.12.2022**, has decided for wider publicity of these facilities so as to encourage more **faculty members/students** to use these facilities. Faculty members are requested to avail these facilities as well as inform their students about it. The facilities are:-

1. LIBRARY IN MOBILE : –

For digitalization of library, online software - **KOHA** has been introduced by the college library. It is open source software based on cloud technology which means that the library can be accessed from anywhere. Through **KOHA** software faculty members & students can easily search and access the books online from anywhere through mobile/tablets etc. Login credentials to access KOHA have already been provided to faculty members. Students interested in availing KOHA facility can contact library for login credentials.

2. DELHI UNIVERSITY LIBRARY SYSTEM : –

College library has provided **remote access facility** to the faculty members to connect with the **Delhi University Library System** (DULS). Delhi University has launched **an e-library web platform** to serve the users with millions of DU subscribed and open access resources anywhere, anytime and on any device through **Remote Access. This facility will be provided only to registered users. Registration of users will be done by college library only**. Most of the faculty members are availing this facility.
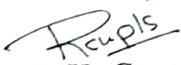

3. N-LIST: –

Our college library is a member of programme entitled **N-LIST (National Library and Information Services)**. It provides access to e-resources which **includes 6000+e-Journals and 1,35,000 + e-books**. You can access these resources freely and download articles directly from the publisher's website after duly authentication as authorized users. **This facility will be provided only to registered users. Registration of users will be done by college library only**. Most of the faculty members are availing this facility.

4. URKUND :– For verification of research work, faculty members can also access URKUND software.

5. For the convenience of students, for the past four years during examinations, the college library has been opening in the morning timings so that students can use reading room. This year also, students have been availing this facility from **22nd November/2022**. Also the college administration is providing **free breakfast/snacks/meals** to the students who are coming in the morning.

6. In addition to their library borrower's tickets, the college library also provides **extra books to the economically weaker students for the whole session from the library book bank.**

7. We hope that faculty members will avail these facilities and will also inform their students about them. Thank you.

(Professor R.K. Gupta)   (Amit Kumar)
